MEDICAL AUTHORIZATION

The following medical emergency plans are established by **Ammar Academy**.

1. For ordinary cuts and bruises a teacher or a staff member will apply first aid.
2. For other types of emergency, a staff member with first aid training will administer first aid.
3. The school will contact fire and/or police for emergency service, if appropriate
4. The school will contact the parents. If parents cannot be contacted, the emergency contact person(s) will be contacted.
5. The school will arrange to transport student to emergency medical care by public emergency vehicle or parent/guardian vehicle.

By clicking the check box, I/We give consent to transport my child by public emergency vehicle. I/We will assume all financial responsibilities for medical /dental care associated with the emergency. I/We also give consent to transport the child to a medical care facility designated by the public emergency vehicle attendant or paramedic.
